1) Read Amos 3:1-2... What is the significance of God, through Amos, bringing up the Israelite Exodus out of Egypt again (see also Amos 2:10)?

How did God want that event to shape the families (along with their descendants) who were rescued in the Exodus?

2) Read Romans 7:7-13... What was the purpose of God's Law for His people? Where is it meant to lead a person to?

3) Read Matthew 10:5-15 and 2 Peter 2:14-21... What happens if someone has a knowledge of God and His Law but that knowledge never becomes brokenness over sin leading them to Jesus?

4) Read Amos 3:12... The imagery here is graphic and confusing in a way. After consulting a Bible commentary or study Bible, how would you summarize Amos 3:12 in your own words?

5) What blessings do we have that give us great responsibility?
