

- 1) Alistair Begg writes this in *Words from the Fire*; “The third commandment on the negative side forbids every wrong use of God’s name and on the positive side demands that we use His name with reverence and awe.”  
What are some examples of how we can negatively use God’s name in a way He forbids?

What are some examples of how we can positively use God’s name with reverence and awe?

- 2) Read the following passages and then describe the meaning God has given to His name:

- Exodus 34:5-7
- Isaiah 57:15-21
- Jeremiah 23:6

What other names of God do you know of, or what other names of God do you find significant in order to know what God is like?

- 3) Read Acts 19:11-20... What does this passage tell to you about the significance of the “name of the Lord Jesus”?

- 4) Read Luke 6:46-49... In verse 46 Jesus speaks to what should be true of someone who genuinely calls Him “Lord”, what is it that Jesus expects?

Is there any step of obedience God is calling you to take as you live for His name?
