Exodus 20:16

1) Share an example of a time when you knew you needed to speak the truth about something even though you didn't want to. What was the result of telling the truth in that situation?

Have you ever seen a lie snowball into more lies? What was the result of that situation?

What motivations lead people to lie? What do most people hope to gain through telling non-truths?

2) Read the following passages and summarize how they describe the connection between God and truth:

- Numbers 23:19
- 1 Samuel 15:29
- John 8:44-47
- John 14:6
- Titus 1:2

3) In a general way, sin could be described as either a sin of commission (what I do that I should not have done) or a sin of omission (what I didn't do that I should have done). How might someone commit both a sin of commission and omission when it comes to this 9th commandment and what are some examples of each?

4) Is there any lie, gossip, flattery, etc. that you've been part of that you should seek out forgiveness for to move towards restoration with another person?

Is there any truth and encouragement you believe God is calling you direct towards another person so that you can be a help to them?
